

# FRIDAY FLYER

Happy Friday Everyone.

So, after a number of changes of date we finally managed to hold our Sports Day yesterday afternoon. What an event it was! Thank you so much to all of our staff, particularly Mrs Alden, Mrs Cain and Mr Ind, for their hard work in organising such a fantastic sports day but also a huge thank you to our children who, without exception, took part with commitment and enthusiasm. For the full story of sport day, together with photos, you will have to wait for next weeks' edition of the Flyer. I can't quite believe next weeks' edition will be our final edition of the academic year. Where did the year go?

If you are avid users of MCAS My Child at School you will have seen your child's annual end of year report was issued this afternoon. We are operating a paperless reporting system and therefore reports are now **only available** through MCAS, either through the app or the MCAS Dashboard for desktop.

The **Reports** option is accessible from both the left-hand **Menu Bar** and a **Widget** in your **MCAS Dashboard**

The **Widget** will display the last 5 reports or letters that have been published by the school.

Either click on **Reports** in the **Menu bar** or the **More** button in the **Widget** to open the **Report** page, which will list all Reports available.

Click on the **Report** name (in blue) to download it, the format of the **Report** will be displayed to the right.

Click on the **Eye** icon to see a **Preview** of the **Report** on the right side of the page.

If you are experiencing problems accessing MCAS, or have yet to download the app or access the MCAS Portal then you can find instructions on how to do so here <https://docs.bromcom.com/knowledge-base/how-to-login-and-use-the-mcas-web-parent-portal/>

I cannot stress enough the importance of MCAS for communication, attendance data, behaviour points and reporting.

If you are still finding difficulties in accessing your child's report please do contact the school office on [office@midhurstprimary.co.uk](mailto:office@midhurstprimary.co.uk)

Additionally, if you have any questions about your child's report then please do discuss them at our open evening this coming Monday from 5 – 7pm. This is a very useful time not just to discuss your child's report but to also meet next year's teaching staff. I hope to see you there, but in the meantime, I hope you have a wonderful and restful weekend.

With every best wish

Mark

### CHOIR PERFORM TO SELL OUT CROWD

On Friday last, our school choir performed in a joint concert in aid of Midhurst Community Hub. The choir sang a number of songs by themselves and then finished the concert with a rousing performance of Run by Snow Patrol with the Milton Choir from Portsmouth. All in all, including our children, there were 80 voices singing together at the end of the concert.

I was so very proud to conduct both choirs and so very proud of our children.

# MACMILLAN CANCER SUPPORT

In September 2024, I am taking on a 13 mile Mighty Hike along the stunning Dorset Coast to raise vital funds for people living with cancer.

I have pledged to raise £250 and would appreciate any support in reaching this. By fundraising my pledge, I could pay for a Macmillan Support Worker for two days who could provide emotional, practical and financial advice to someone affected by cancer.

If you would like to donate anything to Macmillan please use the QR code below which will take you to my just giving page. Thank you for your support, Jess Channon

# SUMMER FUN

## AT PETERSFIELD OPEN AIR POOL

Swimming is a healthy and fun activity for all ages and the open air swimming pool is a family friendly, charity-run, pool in the heart of Petersfield town centre.

Open seven days a week from spring until autumn, the 25 metre open air pool is heated to 27 degrees throughout the summer. With a poolside cafe, plentiful seating, and refurbished toilets, showers and changing areas, the pool provides a warm welcome for children and families.

### *Swimming lessons*

Feeling confident and comfortable in the water can boost your children's self-esteem. Whether you're planning a staycation at our pool or a holiday overseas, our school holiday swimming lessons will give your children the confidence to swim unaided. We offer group sessions or private tuition for children of all abilities from school year R upwards.

### *Giant inflatables*

Putting the fun into summer, our inflatable, floating, assault course is a great way for kids to gain confidence in the water, whilst having fun and burning off excess energy! These sessions are strictly kids only (age 5-15). Our giant inflatable is huge, fun but slippery - less confident swimmers must wear a lifejacket and we loan these free of charge.

### *Rash vests for the cool kids!*

Rash vests provide protection from harmful UV rays. Even on the sunniest days children who wear these stretchy polyester tops won't need sunscreen under the vest, which helps keep our pool water crystal clear.

Rash vests are an essential piece of gear for anyone spending time in or near water. We have a selection in kids sizes we loan at no charge, but regular swimmers may prefer to express their personal style with their own rash vest.

**WE'RE RIGHT IN THE TOWN  
CENTRE IN HEATH ROAD CAR  
PARK NEAR THE FESTIVAL HALL!**

Petersfield Open Air Swimming Pool is a charitable incorporated organisation (charity number 1195755).

**NEW FOR 2024!**

## Kids' summer passes

This year we are launching a special kids' summer pass, which offers access to all general swimming and giant inflatable sessions for children aged under 16 for just £70. The pass is valid for six weeks, from Saturday 20 July until Sunday 1 September, and makes it affordable for your kids to drop into the pool as often as you want.

From the age of ten young swimmers can come to swim under the supervision of our life guards without an adult. Eight and nine year olds can swim without an adult in the pool, but do need an adult to be onsite - don't forget we have a poolside cafe and free WiFi on site.

Teaming up the kids' summer pass with our adult's monthly membership or 10-swim pass makes it easier to budget for the whole family to spend their summer at the pool.

### Party at the pool

Our pool is the perfect party venue. With a capacity of up to 150 people (85 in the pool) we can help you make your celebration memorable.

You can book exclusive use of the pool for two or three hours on a Friday, Saturday or Sunday evening. You can even add our giant inflatable assault course or BBQ hire to your party as an added extra throughout the summer!

As a special offer for local schools and uniform groups we also have term-time daytime bookings for class or year group end of term parties or swimming galas at the pool!

### It's not all about the kids...

We pride ourselves on being family friendly, but we also offer time and space for adults to unwind and relax. Whether it's our Wednesday Twilight Swims and Swim & Supper sessions, poolside Wildnest yoga, Adult Swim Club or evening Aqua-aerobics there's something for everyone at the open air pool.

**Visit our website to see all sessions and times. We recommend booking online in advance to avoid the queue as the pool can get busy in the summer.**
