

Accessibility Plan 2024 - 2026

Midhurst C of E
Primary School

LIFE IN ALL ITS FULLNESS

Vision

At Midhurst CE Primary School we believe passionately in living life in all its fullness by developing the spiritual and holistic potential of each child. Our distinctively Christian values of kindness, peace, friendship, respect, creativity and forgiveness underpin the education and care we provide for the whole child, their family and school community.

Aims

Our aim is that every child will reach their full potential by:

- learning to read so that they can read to learn.
- having the skills to write with purpose and fluency.
- becoming problem solvers through logic, reason and numeracy.
- knowing how to learn, what sort of learner they are and how they learn best.
- accessing a wide ranging, creative curriculum that is challenging and inspiring and caters for the needs of all.
- gaining knowledge, skills and understanding appropriate to a fast-changing world, so they can be self-reliant, adaptable and lead fulfilling and meaningful lives.
- being valued as an individual, who can share their concerns and can grow in confidence knowing their place in their class, their school, their local, national and international communities, wanting to help others and make a positive difference.
- being aware and able to make healthy choices physically and mentally. They will choose to keep active and develop positive attitudes to life and wellbeing.
- understanding that they are responsible for their own actions and take responsibility for them.

At Midhurst C of E Primary School, we strive to ensure that the whole school environment is a place that promotes learning, encourages challenge and independence and is as safe as possible. We believe that children should feel secure, happy, and valued as unique individuals so their educational, emotional, spiritual, and physical needs are met. We expect every child to make good progress and develop their wisdom, knowledge, skills and understanding of the world they live in. We encourage enthusiasm and motivation across the school, enabling us all to be creative and imaginative in our work. The biblical teachings of Jesus underpin all we do, our priorities and decisions, collective worship, RE and across the curriculum. Our Christian values are alive and in action around the school. Our distinct Christian foundation supports children to cooperate, share and show respect for everyone, regardless of faith, culture or ethnic background and be responsible for their own behaviour.

APPROVED BY THE GOVERNING BODY DATE	NEXT REVIEW DATE
12 th June 2024	June 2026

Signed:

HEADTEACHER

Midhurst CofE Primary School is committed to Safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Our intention is that children will be safe, secure and happy, and enjoy their time as pupils at this school.

Introduction

Schools are required under the Equality Act 2010 to have an accessibility plan.

The Accessibility Plan is listed as a statutory document of the DfE's guidance on statutory policies for schools. The plan must be reviewed every three years and approved by the Governing Body.

It is a requirement that the school's accessibility plan is resourced, implemented and reviewed and revised as necessary. Attached is a set of action plans showing how the school will address the priorities identified in the plan.

The Equality Act defines an individual as disabled if she or he has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

This Accessibility Plan sets out the proposals for the Governing Body of the school to increase **access** to education for disabled pupils in the three areas: curriculum access, physical access and the delivery of information.

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Vision

At Midhurst CofE Primary School we are committed to working together to provide an inspirational and exciting learning environment where all children can develop enthusiasm for life-long learning. We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

Aims of the Midhurst CofE Primary School Accessibility Plan

- To ensure that all pupils are fully involved in school life
- To increase the confidence of staff and support staff by ensuring staff are trained in equality issues
- To develop strong collaborative relationships with all stakeholders
- To promote equality of opportunity
- To develop a culture of inclusion

This Accessibility Plan should be read in conjunction with the following school policies: School Equality Policy, Race Equality Policy, Anti-Bullying Policy, Special Educational Needs Policy, Behaviour Policy, Health and Safety Policy and Disability Equality Scheme.

Midhurst CofE Primary School aims to Make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010. Removing barriers to learning for a disabled pupil alleviates any substantial disadvantages that a disabled pupil faces in comparison with non-disabled pupil. This can include for example aids or adjustments to premises.

Access Audit

The school building is accessible to pupils with physical disabilities. The school has a slope that joins the top and bottom playgrounds which gives wheelchair access to the top classrooms and landing from the front of the school. There is also a second slope that runs from school park to the SNUG and meeting room. The school car park has a designated disabled space which has wheelchair access to the school office. There are disabled toilet facilities available by the main school office and the quad building, both have been fitted with a handrail and a pull emergency cord.

Meeting the Needs of Disabled Pupils

The school works hard to ensure that pupils with disabilities participate fully in all aspects of school life. Disabled pupils attend all trips and residentials and specific interventions are run to target those with special educational needs or other disabilities when necessary. Risk assessments detail the additional staffing and resources required. As a school we aim to meet the needs of all disabled pupils and the preferences of parents or carers.

Views of those consulted during the development of the plan

Midhurst CofE Primary School has developed this Accessibility Plan based on information supplied by the Local Authority, consultations with pupils, parents, staff, and governors of the school. This document will be used to advise other planning documents and policies and will be reported upon annually in respect to the progress of outcomes attached on the action plan. The intention is to provide a projected plan for a three year period ahead of the next review date.

Making it happen: Management, coordination and implementation

- The governing body will take responsibility for the school's Accessibility Plan, set a clear direction and report on it annually.

Getting hold of the school's plan

The school's Accessibility Plan will be available on the Midhurst CofE Primary School website and from the school office.

Midhurst CofE Primary School Accessibility Plan

Aim: Increasing the extent to which the school's pupils can participate in the school curriculum

	Targets	Strategies	Time Scale & Who is responsible	Outcomes
Short Term	To liaise with Nursery providers to review potential intake for	EYFS Nursery transition meeting to discuss all children EYFS Teacher visits all nurseries SENDCO to attend if necessary	Yearly Summer Term	Good knowledge of children to ensure they can participate fully
Medium Term	To establish close liaison with parents	Parent meeting for new pupils Parent Evenings Availability of HT and SENDCo for any additional meetings as requested by parents	Yearly Termly On-going HT/SENDCo/ Teachers/LSA's	Parents feel welcome and able to approach HT/SENDCo or Teachers to discuss their needs
