

History Curriculum Road Map

Curriculum Plan

In Acorn Class history is interweaved with all learning linked to understanding the world- while no discrete units are taught children use their locality for understanding the world historically and stories to find out about other people and events within their living memory.

In KS1 we teach history every term building on the progression from year 1 to 2 with similar units but deepening the understanding

In KS2 we teach history every term building on progression from KS1 but deepening understanding even further.

EYFS

Acorn Class
