

Science Curriculum Road Map

Curriculum Plan

Science at EYFS is covered in the 'Understanding the World' area of the EYFS Curriculum. It is introduced indirectly through activities that encourage every child to explore, problem solve, observe, predict, think, make decisions and talk about the world around them. .

In KS1 we teach science in half termly units of work. With some longitudinal studies e.g. seasons threaded through.

In KS2 we teach science half termly and occasionally termly with a specific focus set.
